

INSPIRING BUSINESS

World famous for music, culture and football – Liverpool City Region offers so much more.

It’s a hotbed of creativity, innovation and talent in advanced manufacturing, infection control, digitalisation, immersive technology and renewable energy.

A place of global businesses and global connectivity.

Employers from all over the world come to Liverpool City Region for our creative talent, high-quality facilities at cost-competitive prices, access to global transport links and deep expertise in key business sectors.

Global businesses, like Astra Zeneca, Ford, IBM, Jaguar Landrover, Maersk,

NSG, Sony, Seqirus and Unilever, have all made this warm, inspiring and attractive place their home.

They enjoy a thriving ecosystem of professional and business services and a buoyant visitor economy. And of course, can access global markets through the UK’s largest Atlantic facing port and two close international airports.

In short, Liverpool City Region is brimming with opportunity; primed for investment and made for living.

Let us help you to reap the benefits of working in a region that inspires business.
